

## Agenda for Visit To Bohara - Jenny Bell and Rod Edward's Regenerative Farm

For those booked on the bus, meet outside Soldiers Club at **12.30pm** to board as the bus leaves at **12:45pm** sharp for Bohara. In light of the outbreak of FMD in Indonesia if possible please book and take the bus to help manage the biosecurity risk by posed by the arrival of multiple vehicles at Bohara.

Bohara address is:- 943 Breadalbane Road, Breadalbane. There is will also be an ANU Sustainable Farms flag at the turnoff on Breadalbane Road, See also <https://goo.gl/maps/FeHFh4hVSjrWEKk69>

**1.20pm** Arrive at "Bohara"

**1.30pm** Hear from:

- Landholders Jenny Bell and Rod Edwards about the works they have done to improve natural assets on farm
- Goulburn Mulwaree Landcare about current projects and works in the region
- ANU Sustainable Farm ecologist on the research they have done on farm, how and why to look at managing your farm dams for productivity and biodiversity.

**2.00pm** Walk and Talk - Check out some enhanced farm dams, ask questions and get some practical hands on advice on where to start when you are looking to enhance or improve the productivity and biodiversity of your farm dams.

**3.30pm** Afternoon Tea. Discussion with ANU Sustainable Farms Ag Economist on the productivity benefits of enhancing you on farm natural assets such as Farm Dams.

**4.30pm** Finish – Bus to depart to Goulburn

**5.15pm** Arrive Goulburn
