

# A Vision For Sustainable Communities

INNOVATE TO REGENERATE

## The Community Sustainability Hub

**Our Vision** Working with our CSH network across Southeast NSW to contribute / to influence the creation of a healthy and sustainable ecosystem and circular economies – through:

Education

Partnership - community acting together to position us as a Sustainability Hub

**Our Mission** Equitable communities – equitable distribution of resources

Future sustainability

Ecological integrity

Health natural systems that humans are a part of

Leaders in responding to the challenges of the changing climate

Sustainable Homes

Equity, inclusion, integrity and ethics

The Community Sustainability Hub is designed to bring the community together and give it agency to respond readily to changing conditions of the:-

1. Environment
2. Economy
3. The Community

The CSH is guided and informed by:-

### One Planet Councils' Framework

- Health and Happiness
- Equity and Local Economy
- Culture and Community
- Landuse and Wildlife
- Sustainable Water
